About Relief Mission Foundation

Relief Mission Foundation is a registered charitable organization founded on June 18, 2021, situated in Jaipur, Rajasthan, India. Our mission is creating a long and strong relationship between individuals to generate funds for the well-being of children and needy persons.

Key Focus Areas:

- Promote commerce, education, art, science, sports, social welfare, and protection of human rights
- Protection of the environment including tree plantations and water treatment plans
- Women empowerment and skill development
- Educational support to economically disadvantaged students
- Sustainable development and poverty eradication
- Welfare of poor, underprivileged, and socially backward people
- Vocational training and IT-related courses for economic upliftment

Core Philosophy:

Sustainable change starts with compassion, collective effort, and empowering the most vulnerable. We provide a warm and safe environment for children, enabling them to achieve their full potential through proper food and sanitation facilities.

Problem & Objectives

Problem

Social messages often lose impact when crowded or visually inconsistent. Need: simple, engaging graphics that communicate one clear message at a time.

Objectives

- Apply core design principles in practice
- Create concise digital awareness creatives
- Improve typography, colour, composition and hierarchy
- Maintain consistency while allowing visual variety

Scope & Themes

Scope

Conceptualisation and design of digital social-awareness posts. Tasks: briefs, layouts, imagery selection, headline and supporting text, final exports for social sharing.

Themes

- Responsible giving & reuse
- Access to educational resources
- Volunteering & community service
- Elderly care & social support
- Clean water & conservation

Methodology & Design Principles

Brief-driven iteration

Reduce content to a concise headline and supporting line; emphasise a clear focal point.

Practical steps

Audience definition → readable typography → supportive imagery → contrast and spacing → review and refine.

Principles

Visual hierarchy, contrast, alignment, balance, consistency and simplicity guide every creative decision.

Learnings, Challenges & Solutions

Design Skills

Improved composition, hierarchy, balance, spacing and typography choices.

Readability Over Imagery

Used contrast, spacing and controlled text placement to preserve legibility.

Avoiding Repetition

Varying composition, colour treatment and visual emphasis while keeping core branding.

DON'T THROW IT AWAY. GIVE IT A SECOND LIFE.

Your Unused Things Can Become Someone's Essentials.

USEFUL TO YOU, PRICELESS TO THEM.

- Clothes & Footwear
- Books & School Supplies
- Toys & Children's Items
- Blankets & Household Essentials
- Useful Electronics & Devices
- Other Reusable Necessities

WHAT YOU DON'T NEED CAN BE WHAT THEY NEED MOST.

For you, it's extra.
For them, it's everything.

DONATE THROUGH SOCIAL INITIATIVES

LOOK AROUND YOUR HOME.
COLLECT USABLE ITEMS.
DONATE & CHANGE A LIFE.
